

The windsock

Edi ti on 12. . May 2009

The first outdoor summer meeting was held on May 12
Yours truly was on a cab run to Toronto but by the
pictures it looks like there was a great turn out
and some tractor operator lesson were also give out

Looks like eddy was getting ready to sole with his
flight crew standing by....

Just a quick note to welcome Patrick & Cory Young along with Ryan Dewsbury to the club as new members. Here is their email address so everyone can add them to their list.

Thanks Gary R for your work on the protective flying stations ... 8 in all

The club's "number one funfly" is on June 13th

Please don't forget we need your support in the form of helping out with all the little jobs that have to be done to make this a success.

The list will be passed around at the June meeting

PLEASE SIGN UP.....

Prez Ron and Sect Iric have made new air field work benches and they have become very popular among the older set... something about back and knees... thanks guys

=====
Thanks to the people who signed up for grass cutting
for May ... if you sign up and didn't ...shame on U
